Eat...

One of the city's finest hotels is also home to one of it's most acclaimed restaurants, naturally.

Excite and delight your palate with cuisine created by our gifted expert chefs. A favourite amongst connoisseurs and considered to be amongst the best restaurants in Belfast the food is breath-taking, the room is spectacular and the ambiance unique.

The bar at the Fitzwilliam Hotel Belfast is a popular watering hole where you'll see the city's great and good gather for lunch or an evening drink. We've put a lot of thought into the design and layout of this amazing bar and we think you'll love it.

The atmosphere is lively, warm and friendly and the famous Belfast banter goes on well into the night. This is a bar that has happily become a part of the life of the great city around it, whilst still maintaining its own unique identity.
